**Surgery Closures:** Closed for staff training from 13:00 until the following day on Wednesday 23 October (Alderton), 13 November (Aldeburgh), 12 February (Alderton). The specified site is open to book future appointments and access repeat prescriptions. All calls will be redirected to 111.

**Re-ordering Prescriptions:** We recently reviewed our automative Repeat Dispensing Service as it caused more risk than benefit for reasons given below. We now request that patients/carers order what they need 7-10 days before their prescription is due. The easiest way to do this is via the NHS App or our website (reception can provide you with login details). You can also drop the paper repeat slip in to your nearest surgery when you need to order. We do not accept emails for repeat prescription requests. Previously patients handed back their repeat slip as soon as they collected their medications but this caused wastage (prescriptions might change but patients ordered automatically and too soon without necessarily needing everything), additional workload as patients would collect and decide they didn't need some items after all, in addition to calls as patients rang to ask if their medication had been issued, and extra space was needed to store orders too far in advance.

We have run our new system for three months and already recognise a significant improved flow to the dispensing system with less items being rejected, less waste and vastly improved efficiency within the dispensing system. We hope you understand the rationale, which is of course the same for community pharmacies who, likewise, do not accept early repeat requests for the same reasons.

### BAWDSEY SCHOOL NEWS

At Bawdsey CEVCP school we are so proud of our GOOD Ofsted result last term: 'Bawdsey Primary School is a nurturing place to learn. Pupils have respectful relationships with staff, who care for them well. Staff are committed to helping pupils gain a strong sense of community and belonging. Pupils are happy and safe. The school has high expectations for all pupils to achieve. Pupils apply themselves to their learning. They get the support they need to learn well.'

Bawdsey school had a tremendous last week of term hosting the Circus Ferrel. The children were able to learn circus skills, watch the big top being erected, have a circus assembly in the big top with the performers showing their skills and have a circus dressing up day too! Everyone who was able to come to the public performances were encouraged to show their circus skills as part of the show with the professional performers. Class 3 went on a trip to Rendlesham forest and found out about the UFO story and the whole school had James Campbell (a famous children's author) visiting. James was so funny he had children rolling with laughter as they learnt about how he writes his books and at the end we got our James Campbell books signed too.

During the Autumn term we have a lot planned including another author's visit and a book fair, while we launch our new year of reading for pleasure! There is an exciting academic year planned as we need to live up to our Ofsted praise: 'Pupils benefit from a wide range of trips and visits. A range of well-structured opportunities help pupils to learn about life beyond their community.'

### TREE PLANTING

The Parish Council, if given the opportunity, would like to plant more trees this year, if you have any suggestions on where a tree could be planted, then please do contact the parish clerk Tina, either by email [Bawdsey-pc@hotmail.co.uk](mailto:Bawdsey-pc@hotmail.co.uk) or telephone 01394 411092

**Harvest Bonfire:** Sunday 6 October 5.00pm Harvest Bonfire gathering together to help celebrate the first harvest from our Bawdsey Community Garden. Let me know if you would like to come along or pop by (weather dependant/attend at your own risk).
