## BAWDSEY FETE

£5,600! What a great result. It could have been a difficult day, with so much going on elsewhere, but it equalled last year's record day. A very big thank you to all those who said they would help, and actually came on the day. A big thank you also to our Committee, without them the Fete could not take place, and the people who do so much more in preparation before-hand, and clearing up afterwards. To mention a few, Caroline and Av spent days sorting out the White Elephant before and afterwards. Rob organised the Pop-Up-Pub, the band for the evening, and the advertising material. The Parish Council for helping us out financially for the evening celebrations, and James Mallinder, our District Councillor, for organising the Jubilee tree and commemorative seats to be placed at the back of the Village Hall (to be installed later). Thanks to the cake makers who supplied Brenda and Jane's teams. And to everyone else who gave us money, gift donations, help, and things to sell. Many thanks to Jo and Rob Smellie, who over the years have organised the draw, and are now retiring from this (volunteers to carry this on for 2023 would be much appreciated).

Thanks to all who came to the Fete, and we look forward to seeing you next year.

### BAWDSEY CEVCP SCHOOL NEWS

We have been very busy! We went on a whole school visit to Orford castle. The children dressed up as royalty (or in red, white and blue) and then wore their hand-crafted crowns as they joined in a Jubilee picnic with our partner school in Orford. The children then had a great afternoon meeting new friends and experiencing games from when the Coronation took place, including; using hoops, bowls, skipping games, card games, quoits, hopscotch, tin-can alley and wellie wanging. We presented a garden at the Suffolk Show and won 'Large Gold' and a superb cup. The children designed the garden to represent the four seasons for bees, as they wanted the garden to help bees for the future and safeguard our eco-systems. We were delighted the school gardening club were inspired to make this garden, which will now be recreated at school to encourage the bees. Well done to Lily, Mariette, Adi, Theo, Mia, Rueben, Arthur, Caera, Erin and Sebastian. Thanks to Mrs Rankin, Mr Stevens and Mr Ross for their help and encouragement of the keen gardeners. During half term we had a newly built pinnacle replaced on the school roof. It was due to be mended in situ but being 122 years old (we think) the wood was too rotten for this to happen. The wooden part has now been rebuilt and was returned to the school roof by Apex Roofing weighing in at 380 kilos. It has a new addition to it though, the children have all written an autobiography about themselves for a time capsule which has gone up inside the pinnacle. The school council also chose to put some school newsletters, local news pieces about Bawdsey and a whole school picture inside the capsule too. We will put up a plaque telling people it is there, and the children enjoyed thinking what the future may be like in another 122 years.

### PARISH COUNCIL NEWS

The next Parish Council meeting is on 28 July at 7.00pm. There are several long-term Parish initiatives under way. We are waiting for/looking forward to:

- Quiet lanes posts and signs to go up
- The final proposed design from the Highways department for the Ferry Road stretch leading to the Quay
- Benches for Ferry Road, which have been approved and ordered, and will be put in place
- The wooden bench with the name of the village carved on it has been ordered for positioning near Bawdsey's remarkable V shaped holm oak
- We have submitted the request for the 20mph speed limit for East Lane to County Highways
- We hope to support the Queen's project by planting additional trees in Bawdsey for the jubilee canopy

Perhaps some news of these by the next Bulletin?
