The Residents of Bawdsey, Suffolk

June 3rd 2021sni-p

Dear Resident,

"THE POWER" – FILMING AT BARN FIELD, EAST LANE BAWDSEY

I write to confirm that we are planning to film in Barn Field off East Lane for a new TV drama called The Power which is based on the novel of the same name written by Naomi Alderman.

The central idea in the book is that adolescent girls start to develop the ability to create electricity that they discharge through their fingertips. This new gift which grows in girls all around the world has the effect of changing the balance of power between men and women in society.

One of the key locations in the film is a convent in South Carolina (USA) which is disguised as a marine centre, where Allie, an abused foster kid, reinvents herself as Mother Eve and seeks to build a new society with Roxy the daughter of a London crime boss who revels in her new abilities. It is this convent location which we are planning to build in Bawdsey over the coming months.

CONVENT BUILD DETAILS:

The building site for the convent is in the field off East Lane where most of our vehicles will be situated over the next two months, along with the barn on East Lane.

These building works will result in several 40 tonne trucks coming to Bawdsey with pre built sections of the Convent and in order to keep the disruption down to the minimum they are using a route that avoids passing the local primary school. We are also as discussed, planning their movements outside of drop off and picking up times for the school.

SCHEDULED FILMING DETAILS:

Filming is due to begin at the beginning of August but there will be a noticeable increase in our presence from Monday, July 19th. During the filming, the unit base will be at the A Site in Bawdsey, and all the film technical vehicles will be based in Barn Field closer to the film set.

SHOOTING DATES: From Monday 2nd August for 4 weeks. (3 of these weeks will be nightshoots).
