

Public information days for East Anglia ONE Offshore Windfarm

Drop-in events are going to be held to inform local communities about upcoming onshore cable route works for the East Anglia ONE Offshore Windfarm.

These works are due to start on 3rd July. This work will include erecting fencing along the length of the cable route (37km from Bawdsey to Bramford), stripping topsoil, laying a temporary access road, supply, delivery and installation of cable ducts and cables, via the excavation of trenches and by Horizontal Directional Drilling. If you would like to find out more about these works and ScottishPower Renewables' plans for East Anglia ONE, please come along to one of the drop-in events below.

Tuesday 20th June, 12pm – 7pm

The Barley Room, Sproughton Tith Barn, 26 Lower St, Sproughton, Ipswich IP8 3AA

Wednesday 21st June, 12pm – 7pm

Grundisburgh Village Hall, 6 Ipswich Rd, Grundisburgh, Woodbridge, IP13 6TJ

Thursday 22nd June, 12pm – 7pm

Bawdsey Village Hall, The Street Bawdsey, IP12 1PP

If you are unable to attend these events, the information will also be available on www.scottishpowerrenewables.com. Alternatively, if you have any questions please get in touch with our Stakeholder Manager, Joanna Young, for more information.
