|   |   |         |  |
| Meeting called to order by Chair AB at 10.00 am                           |   |         |  |
|   |   | Action: |  |
| 1.  | Welcome: AB welcomed Cll Johnson and Clerk.   |         |  |
| 2.  | To approve minutes of the Finance Meeting of 9 <sup>th</sup> March 2017: Signed by Chairman.  |         |  |
| 3.  | Review accounts for BPC, BQVC and Savers Accounts: Clerk distributed the latest spending      |         |  |
|   | figures which showed a balance of £2,555.29 in the current account, £22,577.95 in the BQVC    |         |  |
|   | account and £4,013.12 in the Savers Account. An amount of £12,690.05, reclaimed VAT for       |         |  |
|   | the water installation at the amenity site has been transferred from the current account to   |         |  |
|   | the BQVC account but this and other water-related monies will be paid back to SCDC once an    |         |  |
|   | invoice from them is received. Clerk has asked for this to be sent. Another £1,000 is a Tesco |         |  |
|   | Bags of Help grant that is to be spent on restoring and landscaping the pond at the amenity   |         |  |
|   | site this autumn.   |         |  |
| 4.  | Consider External Audit and matters arising: The Clerk reported that the BDO, the external    |         |  |
|   | audit body has scrutinised BPC's accounts very minutely and has suggested a qualified audit   |         |  |
|   | only may be given. Clerk has robustly defended the council's accounting decisions which were  | Clerk   |  |
|   | first approved by the internal auditor. Clerk to contact BDO again to ask for an update.      |         |  |
| 5.  | Coastal Revival Fund issues: The residue of £351.35 from the Coastal Revival Fund will have   |         |  |
|   | to be returned to SCDC. Clerk awaiting invoice for this. Regarding the disabled toilet block  |         |  |
|   | and velux windows purchased for the VC, Clerk is to ask the manufacturers whether they        |         |  |
|   | would be willing to take them back and refund the council for them. This will then be sent    |         |  |
|   | back to SCDC.   |         |  |
| 6.  | Consider state of grants for BQVC: £4,000 in the BQVC account is ring-fenced grant monies     |         |  |
|   | from the Alfred Williams and the Lord Belstead Trusts to go towards the build of the VC. With |         |  |
|   | the general uncertainty surrounding the project, it was felt these grants should be returned. |         |  |
|   | However before this is done, the Clerk was asked to confer with Peter Wain, Chair of the      |         |  |
|   | Working Group, to scrutinise the terms of these grants to see if the money could, in theory,  | Clerk   |  |
|   | be spent instead on restoring the tin chapel currently on the Manor land. Talks between PGL   |         |  |
|   | and the East Suffolk Buildings Preservation Trust are currently taking place.                 |         |  |
| 7.  | Consider quotes for tree surgery at the amenity site: BJ has received five quotations and has |         |  |
|   | circulated them amongst councillors with a brief report. Clls have been asked to send him     | Clerk   |  |
|   | their views. Clerk asked to set up another meeting with Peter Ross of SCDC Norse to discuss   |         |  |
|   | the tree work and the extent of the dredging work they have agreed to undertake.              |         |  |
| Me  | eting ended at 11am.  |         |  |
